DEDICATION

. . . For respecting us because we are people,
For supporting dreams and ideas, yet
allowing for freedom and individuality.
But most of all, for truly believing that
"Youth holds the future of the world
in the palm of its hands,"
We, the class of 1980, dedicate our edition
of the Pelican to Mr. Roscoe C. Ingalls.

Life's shifting fancies and celestial
lights and all its orchestral silences
keeps the pauses of its rythmic sounds.

All the world's a stage
And all men merely players,

They have their exits and entrances;
And one man in his time plays
many parts.

By Kevin Tone

Response to the Pel Mel music poll was enthusiastic - over 400 people voted - demonstrating that the high school's interest in popular music is alive and well. Interestingly enough, the top five vote getters were foreign bands, specifically British. The influence of the Beatles remains intact after a decade. Led Zeppelin topped the poll by a wide margin; its closest contender The

The pelham Pelicans finished the season with an 2-6-1 record. However, pelham has a young and determined team. Coach Mickey Spillet and line coach John O'Conner have worked hard building up the offensive line. Coach Charlie Lightsy has worked with the defense which is looking pretty good. Pelham had a tough schedule this year but hopes to do better next year.

Judge and Mrs. Bertram R. Gelfand

The Editorial Staff of the 1980 Pelican would like to thank the following:

Paul Greco for volunteering his services in almost every aspect of yearbook work.

Dale Alger; our yearbook representative, with whom it was a pleasure to work.

Almar Studios, who helped us with our last deadlines, for their expert photographic services.

Miss Patty DeFilipo for her excellent business sense, and her energetic support of our yearbook.

We would especially like to thank our advisor, Mrs. Donna Morrow, for her dedication, and hard work beyond the call of duty. It was really great working with her.

Finally, we would like to thank the faculty, and student body of P.M.H.S. for cooperating with us. We urge all interested underclassmen to get involved in future yearbook production – it may be hard work, but it's really a worthwhile experience.
